

THE SECRETARY CARLISLE.

Had No Improper Relations With the Sugar Schedule.

MEMBERS OF BOTH PARTIES SATISFIED.

REPORT WILL STATE THE FACTS BROUGHT OUT.

Senator Gray's Draft of the Report is Too Mild to Suit the Republicans—No One Knows What Attitude Allen Will Assume, or What Kind of a Minority Report He Will Submit.

Washington, July 4.—One thing on which the Democrats and Republicans of the Sugar Investigating committee will agree, and upon which an emphatic report will be made, is the exoneration of Secretary Carlisle from any improper relations to the sugar bounty, and the report will state the facts as brought out in the testimony, and will say it is the belief of the committee the secretary's only connection with the whole affair was the preparation of the sugar schedule at the request of the members of the finance committee. It is not yet known whether or not Senator Allen will concur in this part of the report, and, in fact, there is very little known as to what the Nebraska senator will do on the wind of a minority report he will submit.

Senator Gray has made a draft of a report, but it is not wholly satisfactory to the Republicans, who say it is too mild in its suggestions.

A draft prepared by the Republicans is in the hands of Chairman Grady, and he is attempting to harmonize the two reports. It is possible to get a report which will be agreed upon.

SWEET VOICES OF CHILDREN.

Patriotic Songs at the Dedication of a Monument.

Cleveland, O., July 4.—The Cuyahoga soldiers' and sailors' monument, a typical American structure, an unconventional work of art, with an infinite variety of details, which breathe the atmosphere of war, and betokens the most painstaking research, was dedicated today, amidst the plaudits of thousands of enthusiastic people.

The presence of Governor McKinley, as president of the day, and of ex-Governor Joseph B. Foraker, and J. E. Kline, as ex-officio, made the occasion memorable.

The monument is located in Monument square, and cost about \$300,000. It is strictly American in design, and is commemorative of the war of 1861-65, and triumphs in the war of the rebellion.

It overlooks the tremendous grandeur of the scene where the monument took place. Thousands of pure, sweet voices of children united in singing patriotic songs, and the music played martial and inspiring airs.

Following the dedicatory ceremonies, a monster parade of military and civil organizations took place.
